President's Report

It continues to be a great honour and my absolute pleasure to be your Club President. This is our second full season post the pandemic and it again was wonderful to fully enjoy all things our sport has to offer.

Special congratulations to **Kara Retford** and **Tim Collier** who have been nominated for Life Membership of our Club. They will be Life Member number 44 and 45 respectively. This is the highest accolade that our Club can bestow upon a member and only does so after a lifetime of devotion, valued contribution and care. Thank you. Both so well deserved.

Also congratulations to **Kenny Campbell** who was awarded Life Membership of the Sydney Hockey Association. Kenny was awarded Life Membership of our Club in 2005, and has served in various capacities with the SHA since 1998 and is currently a Director of that association. Well done and well deserved.

Thanks to all involved in season 2023 – Hockey NSW, respective associations, our coaches, managers, support staff, helpers, partners, parents and other supporters. Special thanks to our management team and administrator **Felicity Jane Wyker** for her massive contribution. Many thanks.

Importantly, despite the significant resources being channelled back into the development of our coaches and players, the empty trophy cabinet of this season of our seniors and masters teams provided a stark reminder of the critical elements that need to be ever-present to truly maintain great sporting dynasties and that we can never rest on our past laurels. A lot to “stoke the fire” with as we start the planning for 2024.

I would like to congratulate our players both in the Sydney based competitions as well as on the representative stages. I would particularly like to thank our current and prior coaches and support staff for their hard work and significant contribution to these successes.

Off-Field Team

As I have said many times before the hardest working team in the Club is management. I would like to give a special shout-out thanks to our management team of **Meg Smith, Andrew Ramsay, Kara Retford, Larry McIntosh, Neyif Hanna, Richie Webster, Sarah Panizza, Dean Merchant and Glen Castensen**.

For those who aren't continuing in your role – we wish you the best and hope your return to assist the Club in another capacity when able. Thank you.

We would also like to thank a number of others for their significant contribution via working groups and associated supporting roles including: **Steve Besanvalle, Charles Calleja, Tim Collier, Tom Craig, Lachi Sharp, Tim Brand, Andy Wright, Sharon Coutts, Steve Dunn, Scott FAMILTON, Greg Findley, David Goosakoff, Chris Reitz, Gary Goosakoff, Tristan O'Donnell, Mark Greaves, Jen Manual, Mick Gunner, Kenny Campbell, Jeff McEwen, David Moore, Mark Ellis, Bernard Moore, Mark Richard, and Maurie Dawson**. Thank you all for your outstanding contributions and dedication.

Thanks also to our Club Captains: **Steve Coombs, Morgan Blamey, Abby Wilson, Nic McEwen, Billy Shaw, Zoe Newman, Tom Brown, Neyif Hanna, Kasia Nowakowski, Matt McKay, Renee Dawson, Rosalie Flokstra, Narian Singh, Seb**

Griffith and Zoe Richmond (outgoing Junior Captains), **Alex May and Caitlin Pearce** (incoming Junior Captains).

On our award winners - I would particularly like to congratulate **Sharon Coutts, Chris Reitz, Andy Wright** for jointly being awarded the Club Coach of the Year, and **Neyif Hanna** for winning the highly prestigious **Gwen Sullman & Maurie Dawson Club Person of the Year Award** and equally, **Archie Hudson** for winning the **Junior Club Person of the Year**. I thank them all for their significant contributions this year and many years of outstanding service.

On-Field Season

This season we fielded **35 teams** (ex-Minkies) across Women and Men's Seniors, Juniors and Masters. That is the most teams fielded by any Club in Sydney and again makes us one of the largest hockey clubs in Australia.

I wish to sincerely congratulate and thank all the coaches, managers, assistants, umpires, coordinators, selectors, canteen staff, ball persons, general helpers and supporters – for without your major contributions and commitment throughout the season there would be no sport for us all to enjoy.

Massive congratulations to all the players who took the field this year. Well done to all the players who won awards with special mention to **Nicole Truong** and **Josh Robson** for taking out the prestigious **Judy Goosakoff** and **Pop Reece trophies**.

This season of our **teams** that took the field congratulations to all that made the finals and their respective grand finals. I would particularly like to congratulate our **Premiership winning teams** on their outstanding season:

- **U11 Panthers**
- **U13 Panthers** (Joint Premiers)
- **U15 Tigers**
- **U17 Panthers**

I would also like to acknowledge the prior contribution of many others particularly past - coaches, players, managers and supporters that laid the foundation for these glorious premierships. Thank you.

On-Field Representative Elite

We continue to have a strong flow of elite players coming through our ranks at all ages. Congratulations to **Tom Craig, Lachi Sharp, Tim Brand, Abby Wilson, Zoe Newman and Nathan Czinner** who continue to shine at the highest level on the international stage.

Also big congratulations to our HockeyONE players with some outstanding performances including a wonderful debuts season by **Koby Johnstone, Ryan Woolnough** and **Ella Carr**. Well done to **Timmy Brand** for being awarded the tournament MVP. Special mentioned to **Ben Craig** who did the impossible with an outstanding performance after being recalled for the finals after not having played for over 12 months. There is only one Benny and how he isn't part of the Kookaburras, I will never understand.

Also congratulations to the winner of the Club's Lukas McKay Representative Player of the Year Award – **Abby Wilson** for an outstanding representative season with her National team breakthrough year and also **Jared Findley** for being awarded our Junior Player of the Year award (John Cullen Trophy) after another marvellous representative year.

Special Mentions

At the risk of forgetting to mention someone/something important (sorry if I do miss you) – I strongly believe the following warrant special mention:

- **Meg Smith** and **Andy Ramsay** for your hard work, massive commitment, support and care as part of the Club Executive. It's been a pleasure working together again this year as part of the Club's Executive Team.
- The massive efforts of our 1st and 2nd grade coaches (**Jimmy Birkefeld, Sharon Coutts, Chris Reitz, Tim Collier, Michael English, David Moore, and Andy Wright**) for their massive efforts with their respective squads.
- We appreciate all the players and families who regularly travelled from regional locations to play, coach and support etc.
- **Dean Merchant** for his hard work as President of Men's Seniors – with another solid year with a number of teams making the finals. An amazing achievement particularly with the large drop out prior to the season's commencement.
- **Kara Retford** in her last year as President of Women's Seniors – for her outstanding contribution, development work and care.
- Wonderful to see the return of **David Goosakoff** after the prior year's accident. The Club wasn't the same without him and great to see him back.
- **Steve Reilly** for his outstanding contribute as Coordinator of Men's Masters. Thank you.
- Our new **Breakthrough Award** winners of **Rachel Dunston** (Women's Player), and **Josh Robson** (Men's Player).
- **David Moore** for his outstanding work on promoting the Club, the sport of hockey on social media and great commentary work during the season.
- Congrats to **Maurice Dawson Minkey Encouragement Award** winner. **Zachary Neirinckx**.
- For another year and his final, **Scott Familton** for his massive contribution and programming efforts on the Club's Registration system.
- **Larry McIntosh, Jimmy Birkefeld, Greg Findley, Dean Merchant, Tim Collier, Sharon Coutts, Chris Reitz, Michael English, David Moore** and **others** for their *continued pursuit of excellence* with our coaching development framework across the Club.
- Congrats to the seasons' leading goal scorers **Josh Robson** (Colin Manning Trophy) and **Rosalie Flokstra** (Kirsten Pearce Trophy).
- **Maurie Dawson** his vast number of assistants for their continued work developing our youngest and newest members in the **Minkey Development Program**.

Focus for 2024 and Beyond

I plan to seek re-election at this year's AGM (11 December) and do so under the same "platform" I outlined in the prior years of:

1. We are not just competing against other hockey clubs but other sports;
2. A club with a home ground turf facility has many advantages over those Clubs that do not;
3. Over the long term a club with a lack of juniors will not survive;
4. Having a winning culture is good for a club, its members and supporters;
5. Players (regardless of what grade they play, their age or how long they have been playing for) still desire to be better players and want to learn;
6. Coaches (regardless of what grade they coach, their age or how long they have been coaching for) still desire to be better coaches and want to learn;
7. Having successful 1st grades teams are good for members and the club;
8. Seeing fellow players develop into elite players and playing at the highest level is good for a club and its members;

9. Members' desire to be part of something bigger than themselves and are drawn towards a culture that is transparent, inclusive, fair, non-discriminatory, profitable, and social; and
10. The more people that regularly assist a club, the more enjoyable it is to be part of; the less personal opportunity cost there is for those actively involved; and the more sustainable that club becomes.

To Conclude

Thank you for being a part of the Club. **As mentioned, please don't wait for others to do the work and "heavy-lifting". Engage. Share the workload. Be part of the conversation and enjoy.**

I thank our Federal Member **Jerome Laxale**, State Member **Jordan Lane**, Ryde Councillors **Roy Maggio** and **Penny Pederson** for their continued interest, care and support for the Club. Thanks also to the **associations, Hockey NSW** and the **NSW Office of Sport** for their hard work and commitment to the future of hockey and our Club. Special thanks to our Major sponsors **Momento Hospitality Group** (owner of the Governor Hotel) and **CDC NSW** (owners of Hillsbus). Many thanks to all of our "**Club Community Supporters**" particularly: Foxtel, Chatswood RSL, Hockey NSW, Brisbane Live, Just Hockey, Lunchtimes Legends, MC Hockey Skill Set, Plus Fitness Macquarie Park, and **The Weekly Times**.

My final thanks and wishes are to the parents, partners, family, friends, lost loved ones and pets – who supported us during this season. I hope you and your family have a safe holiday season and a wonderful New Year. Thanks again for your participation, support and passion. If there is any aspect of this report, you would like to discuss further please don't hesitate to email me on glen.castensen@rydehockey.com.au.

Next year will be the ninetieth anniversary of our Club. That affords us all a unique opportunity to renew our efforts and also celebrate everything that is wonderful about our Club and sport.

See you all in 2024!

Yours in Hockey

A handwritten signature in black ink, appearing to read 'Glen Castensen', with a stylized flourish at the end.

Glen Castensen

Financial Director

Generally, most items were as budgeted.

- On Income - Overall increase 12% - as expected
 - Canteen (is 14% of total rev) ~ revenue increased 37%
 - Parking (32%) ~ revenue increased 40% additional tenant
 - Subscription fees (35%) ~ Down 4% reduction of teams
 - Turf hire (11%) ~ as expected
 - Sponsorship (4%) ~ as expected
- On Expenses - Overall Increase 18% - lower than expected
 - Administration (is 3% of total expenses) ~ as expected.
 - Amortisation (1%) ~ current surface and facilities now written off
 - Association fees (30%) ~ as expected
 - Coaching (9%) ~ figure as lower than expected
 - Equipment (1%) ~ figure as expected.
 - Light. Power, Heating (8%) ~ higher than expected across the board increases
 - Representative Subs (7%) ~ as expected
 - Repair and Maintenance (7%) ~ figure as expected, probably similar next year
 - Water (4%) ~ costs as expected

As a result, a Net Profit was generated of approximately \$83k which higher than expected mainly due to additional parking revenue. When reviewing the figures for the year, we provide the following commentary on the Balance Sheet:

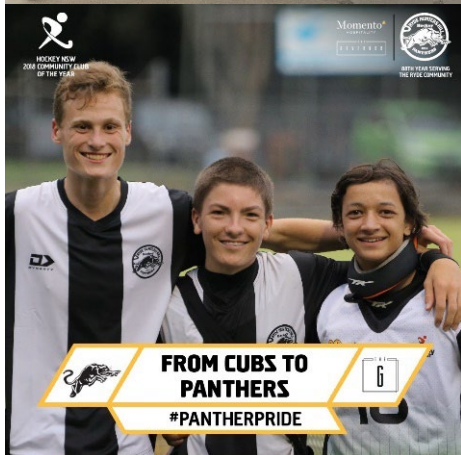

- Generally, most items were as planned with the additional comments being:
 - On Assets
 - Fixed assets remain unchanged (less the scheduled annual amortisation) with surface and facilities now written off
 - New Coffee machine \$8k purchased
 - On Debt
 - Credit Card Facility secured by a term deposit with CBA remains.
 - Future Capex same as previous years
 - Turf resurfacing estimated at \$475k being looked at currently for 2024
 - Major Lighting upgrade or LED replacement
 - Possible Clubhouse upgrade.

Please note, the above commentary is presented here to provide a general summary and highlight significant items and/or outcomes. Approximates and rounding have been used. The above figures are not meant to represent all movements in the Profit and Loss and Balance Sheets.

To conclude, the FY2023 financial results were good, with the overall financial position of the Club as expected. Please note, the Auditor's Report and underlying financials will be available to those members who attend the AGM., we are more than happy to discuss any aspect of this report, as well as answer any other financial questions at the AGM.

Kind Regards,

Andrew Ramsay

Women's President's Report

As the sun sets on another memorable season, we take a moment to reflect on the incredible journey that was the 2023 Ryde Women's Hockey season. With seven teams in action, it was a year filled with passion, dedication, and remarkable achievements.

One of the standout moments of the season was the remarkable performance of our second grade and seventh grade teams, both making it to the grand final. Their hard work, perseverance, and teamwork shone brightly on the biggest stage. We extend our heartfelt congratulations to both teams for their outstanding achievements.

As we celebrate the remarkable achievements of the 2023 Ryde Women's Hockey season, it's only fitting that we take a moment to honour our exceptional representative players. These individuals have not only showcased incredible talent on the field but have also proudly represented our club, community, and values.

Representing our club at a higher level of competition is a testament to the hard work and dedication these players have poured into their sport. We extend our heartfelt congratulations to these representative players for their remarkable achievements and for being exemplary ambassadors of Ryde. Your dedication, passion, and fair play are qualities that inspire us all.

Behind every successful team, there's a dedicated group of coaches and selectors who tirelessly work to bring out the best in our players. We would like to express our deepest gratitude to our coaches and selectors for their unwavering support, guidance, and commitment throughout the season. Your passion for the sport and belief in our players are truly commendable.

Managing Ryde Hunters Hill Hockey Club is no small feat, and we are fortunate to have an exceptional management team that ensures everything runs smoothly. To our management team, we say thank you for your organizational skills, tireless efforts, and the countless hours you put in behind the scenes to make this season a success.

Last but certainly not least, a heartfelt thank you goes out to our talented and dedicated players. Your passion for the sport, your commitment to continuous improvement, and your never-give-up attitude are truly inspiring. It's your hard work on the field that made this season unforgettable.

In conclusion, the 2023 Ryde's season will be remembered not only for the impressive on-field performances but also for the sense of camaraderie, sportsmanship, and community spirit that binds us all together. As we look forward to the challenges and triumphs that the next season will bring, let's carry forward the lessons learned, and the memories created in 2023.

Once again, congratulations to our second grade and seventh grade teams for their grand final appearances, and a big thank you to everyone who contributed to making this season a resounding success. We can't wait to see what the future holds for women at Ryde!

Yours in hockey,

Kara Retford

Men's President's Report

2023 saw mixed results for the men's teams. The top half of the men's teams all made finals (PL1-SL2) with the bottom half unfortunately bowing out at the end of the Season (SL3-SL7). SL2 made the Semi Finals. We saw both PL1 and PL3 make a run all the way to the Preliminary finals. PL2 and SL1 both represented Ryde in the Grand Final, of their respective competitions, but alas both went down.

This season we unfortunately had to remove SL6 from the competition as we could not field enough players due to many players pulling out close to start of season. It was over multiple grades in the Sydney league comp. Even though we tried to spread players to cover the loss it was not feasible to run an extra team. SHA nominated a team which would have the least impact on the competition. It was agreed that it would be SL6. SL6 will be back next year.

By losing a team this meant many players were promoted up a division. Although it was a struggle for many teams at the start of the season, we saw many divisions improve over the season and I hope that this will benefit players and next season we can see the lower grades strong and competitive once more.

Men's Results at end of Competitive Season:

- First Grade (PL1) – Runners Up
- Second Grade (PL2) – 3rd
- Third Grade (PL3) – Runners up
- Fourth Grade RHH (SL1) – 5th
- Fourth Grade Black (SL1) – 4th
- Fifth Grade White (SL2) – 4th
- Sixth Grade (SL3) – 6th
- Seventh Grade (SL4) – 7th
- Eighth Grade (SL5) – 7th
- Ninth Grade (SL6) – withdrawn
- Tenth Grade (SL7) – 6th

I would like to take the time to thank all coaches and managers who took on roles this year and did another wonderful job. As we know, without these people the club would not run. I certainly appreciate all the time and effort that goes into putting a team on the park each week, and all coaches and managers should all be commended for delivering time and time again. I hope everyone has a great off-season and comes back refreshed and focused for the 2024 season.

With thanks,

Dean Merchant

Juniors' President's Report

Another fabulous hockey season from our Ryde Juniors! We are very proud to be one of the biggest and most successful Junior clubs in Sydney and this year Ryde delivered again, winning the North Area Junior Club Championship for the 19th successive year!

Ryde Juniors fielded an incredible **211 Junior Athletes** an increase from last year, and we formed **16 Junior Teams**:

- 1 x U7 Minkey Team;
- 2 x U9 Minkey Teams;
- 4 x U11 Teams;
- 3 x U13 teams;
- 3 x U15 teams;
- 3 x U17 teams.

Our hockey season is run by North Area Junior Hockey, which includes the clubs from our association North West Sydney and the Northern Sydney and Beaches Association, as well as Briars from Sydney East Hockey Association. Clubs that you all no doubt be familiar with include Baulkham Hills, Briars, Gordon North Sydney, Manly Warringah, Mosman, Northern Districts, UTS, Wenty and of course Ryde. The Metro competition for the U15 and U17 A divisions also includes Glebe, Sutherland, Moorebank-Liverpool and UNSW. The season ran from mid-march through 15 or 16 rounds of competition culminating in finals in September.

Ryde Juniors had 6 teams into the Grand Finals and a further 3 into Semi Finals. Fabulous achievements across all the age groups, as follows:

- U11 Panthers – Div A Premiers;
- U11 Tigers - Div B Runners Up;
- U11 Lions - Div C Semi Finalists;
- U11 Jaguars – Div C 6th Place;

- U13 Panthers - Div A Joint Premiers;
- U13 Tigers - Div B Semi Finalists;
- U13 Lions – Div C 8th Place;

- U15 Panthers - Div A (Metro) Runners Up for the Colin Manning Trophy
- U15 Tigers - Div B Premiers;
- U15 Lions – Div C 6th Place;

- U17 Panthers - Div A (Metro) Premiers and winners of the Kevin Connelly Trophy
- U17 Tigers - Div B Semi Finalists;
- U17 Lions - Div C 5th Place.

A huge thank you has to go out to the army of coaching volunteers, without whom the juniors would simply not function. Led by **Larry McIntosh**, our Club Coaching Director and **Greg Findley**, Head of Junior Coaching, we have the best Junior coaching program in Sydney if not NSW.

We run a comprehensive and uniform coaching program covering all the age groups and all levels of ability, focusing on the principles of core skill development, encouraging high standards of skill and game performance and most of all having fun.

Thank you to all our coaches this year:

- **Minkeys: Maurice Dawson, Jen Manuel, Jenna Ellis, Damien Cork, Max Girault, Drew Parker, Josh Faull and Jenny Neirnckx;**
- **U11s: Chris Reitz, Andrew Bridger, Jon Woodward, Sharon Coutts;**
- **U13s: Rosalie Flokstra, Richard Tucker, Matt Young, Gurwinder Singh, Tim Fitzadam;**
- **U15s: Greg Findley, Drew Parker, Matt Burton;**
- **U17s: Kent Bestwick, Simon Miller and Dave Goosakoff.**

All ably assisted by **Tom Brown, Nick Travers, Hamish Geraghty, Scott MacDonald, Andreas Schindler, Tim Collier, Craig Winwood Smith, Beatrix Taylor, Harvey Taylor and Piers Webster** and everyone else who has helped the coaches in some capacity. Thank you all for your continued support in the grading, selecting and training activities across the season.

The other half of every team's organisation comes down to the managers, ensuring the team get to the correct venue at the correct time, helping coaches with the substitutes, filling in score cards and generally getting the teams organised.

Thank you to all our managers this year:

- **U11s: Sean Alexander, Andrew Lansdown, Chris Gilchrist, Renee Holbrook;**
- **U13s: Nikki Roxborough, Bev Jones, Karin Lewis, Apurva Kamat;**
- **U15s: Anne Webster, Louise Mashiah, Jose Diaz, Tarsha Taylor-Fick, Kiran Rao, Christine Tam;**
- **U17s: Wendela Flokstra-Mesker, Adrian Osborne and Debbie van Wyk-Kiranov.**

And of course, we would not have any of the matches without the umpires, so it was great to see some new faces as well as the more familiar ones. Thank you to **Annie Humphries** for being our fabulous Umpire Co-ordinator and getting all our umpiring obligations covered across our 16 Junior teams, a huge effort!

Thank you to all our Ryde juniors who umpired this year:

Beatrix Taylor, Bernie Robson, Cooper Humphreys, Darius Geransar, Davit Gait, Elliot Miller, Freya Schindler, Harvey Taylor, Henry Stuart, James Hilzinger, Kai Schindler, Liz May, Luca Travers, Matt Pardy, Maurits Flokstra, Mel Bestwick, Mugdha Kamat, Oli Flokstra, Piers Webster, Riley Albert, Siena Geisker, Steve Kurian

Thank you for all the other help we have received behind the scenes during the season. In particular:

- **All the parents** who helped on the BBQ this year, creating Friday night burgers and hot dogs and the classic Saturday morning bacon and egg rolls. I think the new all-time BBQ record for a Saturday morning was achieved this year, when the Minkeys were playing at home and I remember the count of items sold on the BBQ that particular morning was over 100.....Thank you all, and the guys helping out tonight - we would not be able to run the BBQ without your help and it all goes to raise much funds for the club, so thank you.
- **Felicity and Andrew** for organising the canteen and **Kat, Tristan, Briony, Neyif and Hunter** for the various canteen shifts undertaken on Friday nights and Saturday mornings;

- **Ryan Pereira** for his continued assistance with the frantic pre-season grading and roll out of the coaching app, and general IT help;
- **Paula Mahli** for her assistance with the Teamer App;
- **Becky Gait** our Results Officer for collating of all the scores and match cards from all the teams and submission to North Area each week;
- **Bernard Moore** for his continued help around the ground and canteen;
- And finally, I would like to personally thank **Meg Smith** and **Greg Findley** for their continued support of me in this role. Without them this would be an awful lot more difficult.

And finally, a huge thank you to all the parents for your continued support of the Ryde juniors, not only are you ferrying the kids to training and match days, but you stay to support the teams, help in the canteen, or with the BBQ, you help with coaching or managing, umpiring and anything else I haven't mentioned. Its hugely appreciated, and without the volunteer help the junior club would not function.

Here at Ryde Juniors we run an enviable coaching program and the quality of this together with the commitment and dedication shown by our junior athletes to train and learn, put them in a favorable position for selection for representative teams outside of the club.

In 2023 we had numerous Ryde Juniors selected for the following:

- NSW Combined High Schools (CHS);
- NSW Combined Catholic Colleges (CCC);
- NSW Combined Independent Schools (CIS)
- NSW Primary School Sports Association (PSSA);
- North West Sydney Hockey Association (NWSHA);
- Hockey New South Wales (HNSW)

2023 again saw more than 60 Ryde Juniors representing at various state championships.

Ryde Juniors were also well represented at state level in 2023 with 23 athletes making the state squads:

- 4 from our U13s – **Annabelle Roxburgh, Angela Kirby, Harvey Taylor and Lachlan Albert;**
- 8 from our U15s – **Beatrix Taylor, Elly Bestwick, Matilda Reitz, Piers Webster, Amos Mashiah, Aaron Krohn, Rory Morris and Owen Kirby.**
- And 11 from our U17s – **Katie Bates, Annabelle O'Hara, Kade Anderson, Oli Bestwick, Joey Coles, Jared Findley, Alex May, Finlay Morris, Joshua Robson, Gurmam Singh Pawar, and Cedric Timpers.**

From these squads we had seven Ryde athletes selected for state teams that played at the Australian National Championships. In addition, we are delighted to have had a number of Ryde junior athletes selected for the Sydney Metro Academy program, and the 2024 NSW Futures Academy at U14, U16 and U18 age groups.

In addition to playing in various junior competitions, a number of our Junior athletes also play seniors, and form an integral part of numerous senior teams. This year we had 11 girls and 21 boys from our juniors competing in the senior ranks and several of these getting a mention as noted below, predominantly in the best & fairest categories (B+F) voted across the entire season and the Pop Reece Trophy for the overall B+F tally. Great work everyone!

Outstanding seasons from **Josh Robson** and **Amos Mashiah** taking home some big club awards for the seniors were the highlights for the juniors.

2023 Juniors

- **Josh Robson** (men's breakthrough player of the year, men's leading goal scorer, 1st place B+F men's second grade, 1st place Pop Reece Trophy)
- **Hamish Geraghty** (2nd place B+F men's third grade)
- **Naia Lopez** (2nd place B+F women's third grade)
- **Annabelle O'Hara** (3rd place B+F women's third grade)
- **Piers Webster** (3rd place B+F men's fourth grade black, 4th place Pop Reece Trophy)
- **Sam Ellis** (1st place B+F men's fourth grade RHH, 10th place Pop Reece Trophy)
- **Amos Mashiah** (1st place B+F men's goalkeeper, 1st place B+F men's fifth grade, 3rd place Pop Reece Trophy)
- **Zane MacDonald** (3rd place B+F men's fifth grade, 4th place Pop Reece Trophy)
- **Angela Kirby** (2nd place B+F women's goalkeeper, 2nd place B+F women's seventh grade)

Another fantastic year, and I am very much looking forward to next season already! 😊

All the best,

Richie Webster

*Goal Coming Up?
Minkey Gala Day, June 2023*

Coaching Director

My report addresses a number of initiatives and developments through 2023 and identifies areas for discussion for 2024.

Women's Program

The 2022 program work with coaches continued, well led and initiated by Kara Retford. There was increased cohesion and commitment to agreed principles and processes. All coaches viewed this objective as an ongoing one, building a foundation to carry forward to 2024. As is always the case, thank you to the coaches for their commitment, time in meetings and for sharing their experiences and concerns throughout the season. The review process undertaken at the end of the 2023 season identified a number of key areas of athlete development and game play to be implemented in the 2024 planning.

Men's Program

An enjoyable feature of 2023 was working with Tim Collier in supporting the integration of new athletes and with adjustments to the game styles and structures reflecting changes of the playing group and the evolving nature of the PL1 competition. I would like to acknowledge the commitment of Tim and his coaching team in team and strategy preparation. The close of 2023 will include review work to address and identify areas for 2024 focus and preparation.

Junior Program

The Ryde junior program is one of Australia's largest – thank you to Richie Webster for his stewardship of this key element of the club. The size of the program also requires significant support from coaches, managers, families and players. Thank you also to Greg Findley, who provides significant on the ground support to the Ryde junior program, in addition to taking the reins for specific teams. Thanks, as ever, too Maurice Dawson and his support coaches for their ongoing support and contribution towards the delivery of the Minkey Program.

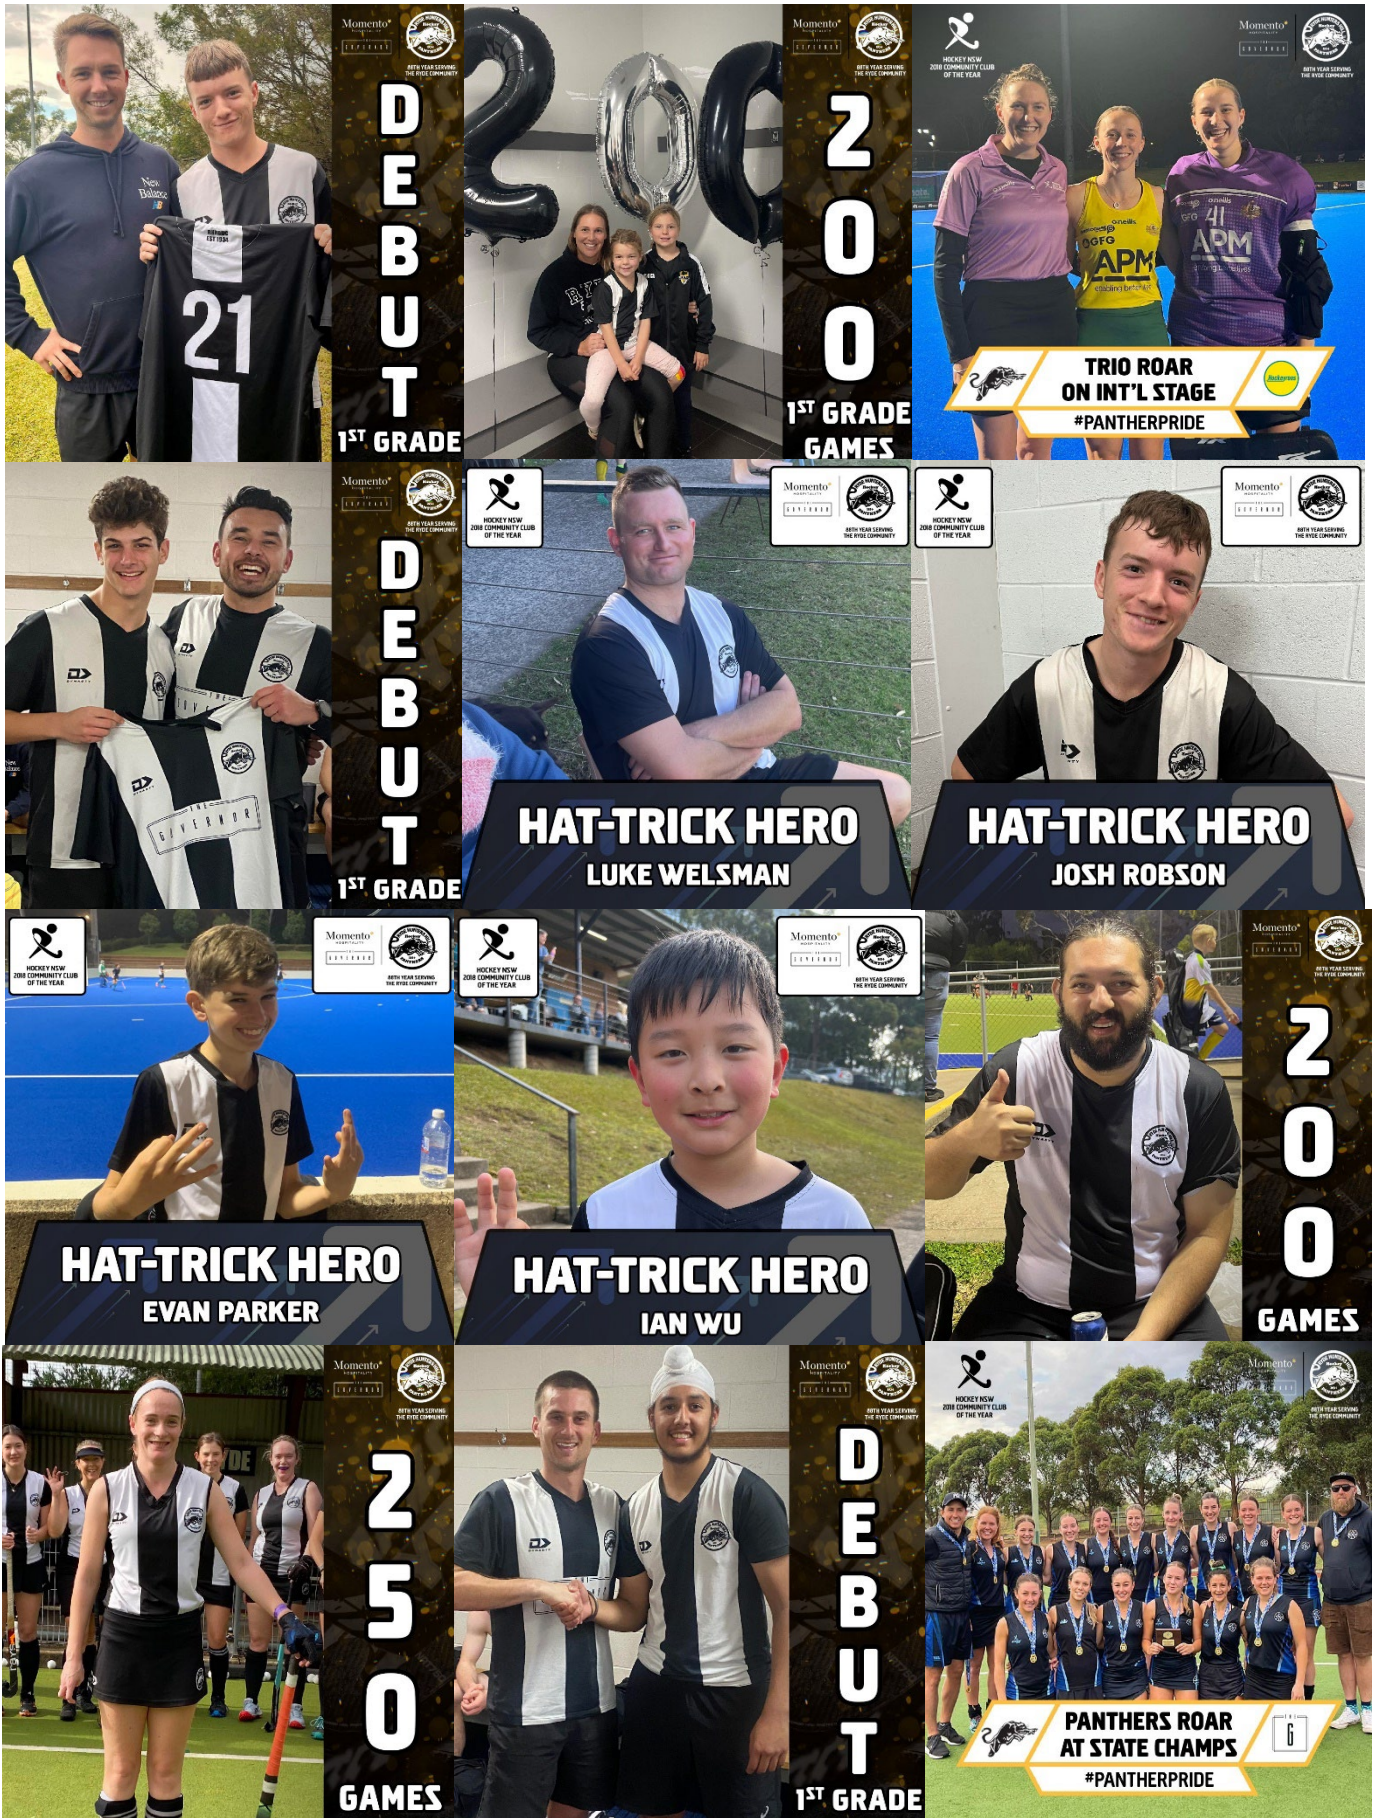

Coach and Athlete Development Plan - Key focus for 2024

There are a number of key focal points for 2024:

- Continued focus of skill competencies, way of play (WOP) across the club
- Alignment across the club in the way of play (WOP) through the playing zones in building coaches' and athletes' game knowledge and tactical understanding of game play
- Review and refresh the club's coaching program and philosophy, noting the technology that is now potentially available to support the program, and with the objective of increasing the accessibility and use of the program, in addition to skill competencies distribution, receiving, offensive, defensive principles
- A related case in point is coaches providing feedback using video analysis of WOP, with the ball (WB) and without the ball (WOB)
- Support for goalkeepers through specialist resources
- Increased accreditation of coaches through the applicable HA accreditation framework
- Assessment of the club's development programs and individual athlete development plans, taking into account COD pathways and commitments, and the objective of alignment with applicable and relevant HNSW structures and initiatives.

I look forward to supporting coaches and athletes in addressing the key areas identified in this year's reviews and progressing their implementation into 2024 programming.

Regards,
Larry McIntosh

Social Director

We kicked off the social events for the 2023 season on Saturday 15th April 2023 with New Members Night. We invited players and supporters to join us in supporting Ryde hockey where we saw SL2, SL1, SL1 Black and PL1, PL2 and PL3 play throughout the afternoon, followed by an evening to officially welcome new members to the club. A highlight of the evening each year are the celebrations of members who celebrate key milestones in their Ryde hockey careers – with 2023 being no exception. This year we celebrated the following milestones:

500 Senior Games
Stuart Farquharson

250 Senior Games
Aaron Scott
Ryan Southgate

100 First Grade Games
Kieron Arthur

As with every year at Ryde hockey, Family Day is a highlight of the social calendar. Even an overcast day couldn't keep away the panther supporters who, starting on Friday 4th August and continuing to Saturday 5th August 2023, came down in droves to support the juniors, 1st and 3rd grade women, and the 1st, 2nd and 3rd grade men who all played throughout the weekend. Family Day has been a tradition at the club for many years and such an amazing event would not be able to be pulled off year and year without the help and support of many members and their families. It started mid-July with a working bee that saw members enthusiastically undertake a myriad of tasks to get out clubhouse and grounds ready. On the day itself members pitched in at the BBQ, cake stall, raffle and canteen, as well as setting up decorations to show off our panther spirit.

This year Family Day saw a new guest who will join us in years to come – our giant inflatable Panther who stood proudly on the clubhouse roof and watched over the day. The Best Dressed Pet competition made a return to family day, with entrants ranging from man's best friend to a bearded dragon. To round off the days activities we saw the Family Day 2023 Photo Wall, supported by our roving 'insta' photographs helping catch the moments of the day.

Junior and Senior Presentations Nights were held consecutively in 2023 on Friday 20th and Saturday 21st October respectively. For the end to the 2023 season we decided to take advantage of a rare opportunity and host Senior Presentation Night on our very own turf in a large marquee. The Junior club came together on the Friday evening and hosted by Richie Webster, took the opportunity to congratulate each team, acknowledging and celebrating each of our talented junior players.

Players from across the men's and women's teams came together on the Saturday night to look back on the 2023 season and celebrate another amazing season of hockey with fantastic people. Club President Glen Castensen handed over his hosting duties to David Moore in 2023 who rose to the occasion and hosted a fantastic evening of celebrations and awards for our senior teams. The giant inflatable Panther made another appearance, this time at the corner of the turf acting as the perfect backdrop for Panther Pride presentation night photos. Highlights of the night included delicious and generous food served up by the Governor Hotel and an extended DJ experience, with the dancefloor going strong right up until midnight (and a touch of karaoke).

I'd like to thank everyone throughout the season who contributed to making social events at

Facilities Director

I feel honoured and humbled to receive the most prestigious Sullman/Dawson Trophy. While this award is acknowledgment of my dedication our club which I feel is my second home and family I could not do it without the support of my fellow members.

I would like to personally thank everyone on another amazing year. Our members showing up to volunteer their time grows in number from year to year when the call for help needed to prepare our home for the start of the season and for family day working bees.

We once again managed to give the field a good clean and removed rubbish from around the ground. We also secured the retaining walls with garden mesh stopping the large stones from falling out.

I would like to thank Joseph O'Reilly for our 3D printer logos and James Maltman for our painted panther on the change room wall.

The major maintenance tasks that needed completing for the 2023 season included:

- Lighting refurbishment and service
- Turf repair and clean.

I would like to thank a few people for supporting ongoing upkeep of our facility:

- Bernard Moore for his ongoing work on the lawns, it is a challenge that you always meet head on.
- Richard and Ann Webster for bringing order to the storeroom on a constant basis.
- Members who contributed to the two working bees held in 2023
- Felicity Wyker for the magnificent work she is down in organising staff and management of the canteen.
- The Management Committee for continued support.

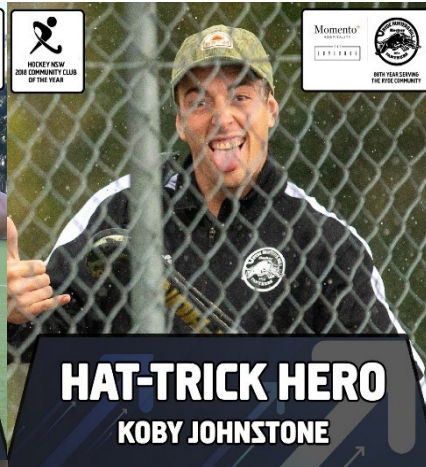

As we are a community club, I would encourage everyone to continue to volunteer their time in helping with the working bees, general upkeep, BBQ, and event days as we know more hands make light work. This is our club, our home and we are proud to be Panthers.

Signing off

Neyif Hanna

Major Family Day Working Bee, July 2023

Team Reports – Women's

First Grade

Competition: SWHL ML1

Placing: Fifth

2023 was a difficult and interesting season for ML1. Over the past two years, we have had a transitioning playing roster, due to players going on exciting adventures, and others being elevated to the national team and getting consistent games. It was an opportunity for some of our younger members to grow into leaders and take more responsibility for the on field performance and the off field dynamic.

As is always the case during transition, growth and learning there were some stumbles along the way. This year it was very noticeable that we brought our best against the top teams and compete, taking points from all of the top four. However we were inconsistent against teams lower than us - such teams took too many points from us this year. In order for the team to become a force, we need to be more clinical and consistent in our approach to all games.

In saying this I am very excited for the future, with an average age of 19.5 years, this is an incredibly young playing group, which has already shown the ability to adapt to new ways of play and structures. They also worked incredibly hard across the season and we have seen significant individual player growth across the squad. If we can stay together and keep working for each other, there is real potential for a sustained run of success.

A massive thankyou to Emily Waddell for her amazing work as assistant coach. It was a pleasure getting to work with someone better than me each week. Thanks also to Cecelia Blamey for taking on the manager role again, your care for the group is greatly appreciated.

Finally thanks to everyone that played this year. It truly is a privilege to be a part of such a joyous, competitive and supportive group. The season never feels long enough with you all.

Jimmy Birkefeld
Coach

Second Grade

Competition: SWHL ML2

Placing: Grand Finalist

The 2023 season was an exciting one for the Ryde Women's second grade team. From the very beginning it was apparent that this season was going to be a good one – team cohesion, comradery and collective application was high, and this was reflected on the pitch each week. We successfully won our first 8 rounds as we bedded down our way of play and positional combinations. Attendance at training was consistently high, and much fun was mixed into the hard work that was undertaken.

Mid-season was always going to be a challenging period, with a large number of players unavailable at various times due to school holidays, travel and representative commitments. Despite this the team maintained good results and by the end of 18 rounds, we had a score sheet consisting of four losses (with one being a forced loss), one draw and 14 wins.

All finals games were played, with the girls producing some fantastic hockey to progressively

win their way through to the main game – including winning the preliminary final after 1 v 1s when scores were locked at the conclusion of normal time.. The final itself saw the girls play the minor premiers, Moorebank who were looking to secure a win after placing second last year. An exciting and physical game was played in very hot conditions – and both teams brought great hockey to the pitch. Moorebank squared away several early goals, though our team never stopped pushing for opportunities and they left everything on the pitch by the closing whistle - the final score was 3-1.

For a number of years now the Ryde Women's second grade team has achieved sound results, but the elevation this season was achieved due to several significant contributing factors.

The first was the combination of players / personalities / skill sets - this year saw players come together from far and wide – with special mention going to Tilly Fox who joined us for the first half of the season from the United Kingdom. We look forward to Tilly joining us again in future years if we can make it happen! Thanks also to those girls who travelled week in and week out to join us from various other locations. To our Sydney based girls – your commitment to two training sessions each week on top of other team trainings such as juniors and representative hockey was fabulous as well and enabled us to grow together. Not only did our girls draw together from various locations, they also created strength across age groups with player ages ranging through four different decades!

The second significant contributing factor to our success was the very welcome inclusion of Chris Reitz to our coaching team. I speak for the whole team when I say thank you to Chris for his time and dedication across the season, and acknowledge that it was a privilege for all of us to be part of something so special under his guidance. With such a wealth of experience in the sport, not only did we learn, but Chris challenged us to apply ourselves further each week which in itself was rewarding ... and we also had heaps of fun doing it!

Many thanks also go again to the wonderful women's club coaching group – in particular to Jimmy, Paul, Larry and Kara for your consistent support and guidance across the season.

Sharon Coutts
Co-Coach

Third Grade

Competition: SWHL ML3
Placing: Eighth

The 2023 season saw the Women's ML3 Team finish the year in eighth position with two wins, six draws and ten losses. Whilst it would have been great to finish in a higher position, a lot was achieved this year.

The 2023 Sydney Women's Hockey League draw for ML3 saw a ten-team competition featuring five very strong teams and five developing teams. Whilst it was great to see clubs such as Sutherland and St George entering their first grade teams in the ML3 competition, this occurrence resulted in very strong teams entering the division alongside teams such as Glebe 1s and Mosman 1s. As a consequence, we were consistently challenged by very capable opposition teams.

To their absolute credit our generally younger more developing team put in maximum effort each week with a great attitude. Whilst more wins on the board would have been great, it was encouraging to see the team hold their own against most teams in the competition. A narrow 1-0 loss to eventual premiers Sutherland in one of the early round games and a 2-0 Round 11

loss to UNSW who was runner-up in the division showed the team that when they played well, they were not too far away from the top four teams.

The training focus this year saw us again join the Women's 2s team as a joint squad training. This encouraged consistency of playing style across both teams. The combined training activity saw both teams improve significantly over the course of the season. It was great to have input from the ML2 coaches in Chris Reitz and Sharon Coutts providing a high level of technical support.

To improve our overall game playing style and to focus on what each individual team members roles were each week, we had great mid-season support and team talk sessions with Larry McIntosh. As always, Larry in his calm and methodical way supported the playing group giving them a clear direction and purpose focusing on possession, field positioning and on field communication. These team building sessions saw the team improve significantly in many games over the second half of the season.

Well done to all on a very satisfying 2023 season.

Paul Levett
Coach

Fourth Grade

Competition: SWHL ML4
Placing: Tenth

Firstly, I would like to congratulate Kathryn Miller and Emma Blume for their awards - Kathryn, the team's best and fairest award, and Emma, Club Goalkeeper of the Year. Congratulations additionally to Emma and Lucinda on their selection in their respective state teams.

I would like to thank all the players this year for their contribution. It was a tough and hard season with team consistently playing against strong opposition. We consistently matched teams in intensity and our losing margins were often slight ones. Importantly the team never gave up and gave 110 per cent all of the time.

We endured many injuries and player absences through the season which impacted our year. I would like to thank players from other team that helped over the season, notably players from third grade and fifth grade. This support was very much appreciated by the team.

As coach, I would like to thank you the team. Despite the challenges, you never lost hope. This attitude made my journey a very positive one. It was enjoyable to be a part of this team. I look forward to seeing you all back next year - I am sure your contribution will be characterised by enthusiasm and enormous team spirit.

In closing, it was an honour to coach you this year and thank you for the support you gave me at game time and at training. Such support is very rewarding for a coach and inspires all to return again in 2024.

David Gooskaoff
Coach

Fifth Grade

Competition: SWHL ML5

Placing: Seventh

This without doubt was an interesting year, where for some reason we failed to maintain momentum. As an example we beat a previously unbeaten Sutho at Sutherland which is an exceptional achievement; the praise we received from the Sutherland commentary team made me very proud. In contrast, we were then beaten by the team coming last. This inconsistency ultimately meant that we ended up mid-table, which was a little disappointing given the knowledge of how good we could be when we were 'on'.

2023 was also first for me in that in all my 100 years of coaching I have missed no more than a handful of games over this time but this year I was away for five weeks, and I would like to thank Nikki, Kara, and Jimmy for stepping up. I was very happy that I could go away with the confidence that my team was in very capable hands. There was a rumour circulating that the players did not want me a back.

It would be remiss of me to not thank our team captain Evie and vice-captain Sarah (not the goalkeeper) who both kept the team and coach on the straight and narrow. Some of Evie's talks before the game were so inspirational, I almost wanted to get out and play myself I was that revved up.

But above all I want to thank every player for your commitment, your passion and desire to improve and do better. This commitment and attitude make my job as coach easy. I truly feel honoured that you have given me the privilege and opportunity to coach fifth grade.

As I contemplated what to write this year in my annual report, I reflected not only on this year but on the past five years. I have coached a core group of women for that extended period and over time. We have played some good hockey and on occasion not so good hockey but most importantly have become almost an extended family. We do not always agree but consistently have a laugh or two, usually at my expense. We have shed a tear or two, there has been some new hockey players born, scary surgeries, holidays with obligatory tacky souvenirs, rumours of the coach wearing skirt to training and even attending a heavy metal concert, Hopefully we have learnt a thing or two on the hockey field. This year will be my last year coaching fifth grade as they take a break from me. I like to think that beyond hockey, I have made some lifelong friends. I take with me some tremendous memories and I am grateful for everyone's efforts and friendship over not only this year but the past five.

Cheers

*Micheal Gunner
Coach*

Sixth Grade

Competition: SWHL ML6

Placing: Fifth

This season was always going to be a season of improvement from what we achieved as a team in 2022. The side was ready to roar with high hopes of making the finals. Throughout the season we lost some momentum when we started to lose players to fifth grade, and it became a season of, once again, rebuilding.

Our results at the beginning of the season were not ideal. However, we were still competitive and finished the season in fifth position, which is an awesome result. The team achieved seven wins, seven losses and four draws with a goal difference of nil (24 goals for and 24 goals conceded). Our strengths were that we gelled really well and we played very positively when we lost a significant number of players to fifth grade. The real weakness was we tended to start games slowly and this cost us in a couple of games. We had the motto of "We can control what we can control". This motto related to selections, umpires, the opposition - well actually everything we did on the training paddock and in games.

Some of the highlights of the season included the addition of Bec and Rayna, the return of Steph and Erin, although we did miss Misha in the playing unit. However, Misha was always (well mostly), there to support the team. A particularly enjoyable game that actually turned out to be catalyst for a turnaround in our season was the game when Nicole was our keeper.

From my point of view, there was definite improvement in all players' skills, though the focus of the training was on the basics. We do require an increased focus on converting goal opportunities through more specialist training. Players need to be more aggressive within the attacking D - this will assist with getting more consistent results. Positivity was a major theme and all players in a played positive manner with great fair play.

Misha and Nicole were a fantastic help and did a great job as the assistant coach/manager of our side and were a key in keeping the side positive. Thank you Misha and Nicole for your involvement. A shout out to Kara as Women's President for her support. Thanks to all players who were either regular players or assisted (Nicole, Flick) our side latter in the season when we had several players unavailable. Congratulations to Nicole for winning the club's best and fairest award for the women's side of the club.

Enjoy your offseason all.

Cheers

Gavin Hughes

Seventh Grade

Competition: NWSHA C Division

Placing: Grand Finalists

I would firstly like to thank you, the players of RHH Super 7s. Throughout the season you have all given everything that you have to each other and every game.

The RHH Super 7s. Once again, we were very proud to finish the season as finalists. This was again an outstanding achievement, although for different reasons than the previous year. This year we experienced some player availability issues. Some of our players were seconded to sixth grade, while others were injured, away for employment reasons or on organised overseas holidays. These circumstances left us with between six and nine players available on any given Sunday. One of our team goals this year was to field a full team and have substitute players. Due to the unavailability of the 'core' team members and to cover these absences we put a call out to our junior teams to see who might be interested in playing in the senior ranks. Our remarkable goalie was sourced from the under 13s Ryde Hunters Hill junior team. Having procured her, we also were fortunate enough to gain two other sensational junior players.

The team became a mix of youthful speed, with two new players to hockey and older experienced core players. Paul our coach worked with the team to focus on individual player's

strengths and the whole team. It was more challenging this year as we had new players who were introduced to our basic skills and drills. However by the end of the season we had forgotten that that we had new players to hockey, as they were scoring goals. We also had our well-known and well-respected team members seamlessly integrating into the team. In working with our juniors, who were now regular team members, several mentoring relationships developed between the core members and juniors, often building confidence, and providing opportunities for the juniors to gain experience with knowledge and hockey skills at training and on the field. It has been a pleasure to watch several members of our team support each other and mentor our junior members. I would also like to thank the juniors' parents and supporters who turned up and supported our team each week. In fact, a few parents have now been encouraged to play hockey next year themselves.

Our juniors are the club's future and we put a lot of effort into developing these players and getting them involved in the senior ranks. The juniors "filling in" has allowed us to field competitive teams each week and I do believe that their involvement and contribution each week, contributed to us reaching the Grand Final.

Super 7s - you all deserved to be finalist as you have played as members of a team with the qualities of, adaptability, and flexibility. These qualities were evident when Paul, before the start of our Semi-Final game, had to rearrange the game play strategies three times due to illness and injuries. It is not an easy task when you have 16 players in attendance. Paul has continually adapted our play with his stoicism and calm manner. All team members have extended their own skill development.

The success of our team has been through trusting members in positional play and in being adaptable to play different positions when called upon in attack and defence without question. Our playing structure consisted of three backs to improve the playing width, focusing on different sides of playing up the field, strengthening the midfield through two centre halves, the use of higher strikers and improving the press. These changes were complemented by a proactive mindset and reinforcement of team spirit, leading to enjoyable and competitive hockey.

Julie Boulis
Captain

*Our Hockeyroos,
Zoe Newman and Abby Wilson,

Team Reports – Men's

First Grade

Competition: SHA PL1

Placing: Preliminary Finalist

2023 was another strong but ultimately frustrating season for our first grade men, finishing the regular season in second spot only to go out in an agonising loss in the grand final qualifier.

The quality and consistency of performances on the pitch was high, winning thirteen of sixteen regular season games, despite several ins and outs on a weekly basis. The strength and depth of the squad is perhaps the most pleasing aspect of the season with the experience of seasoned first graders such as Billy Shaw, Kieron Arthur, Sam Liles, Nic McEwen, Jack Pickering and BJ Bruton, complimented by the rise of exciting youngsters Seb Griffith, Jared Findlay, Josh Robson, Fletcher Norris and Ryan Woolnough, all of whom made their mark on the competition in 2023. Add to that the consistently high levels of performance from representative players such as Sam Gray, Nathan Czinner, Koby Johnstone, Lachie Cope and Ryan Simpson and expectations for next season are rightfully high.

Special congratulations to Seb Griffith and Jared Findlay who were selected in the u18 Australian future squad for 2023 as well as Nathan Czinner and Sam Gray who were selected in the Australian u21 and Development squads respectively. The quality of players coming through our program is impressive on any measure and with 26 players used in first grade across the season (with more than 60% being under 21) the future looks assured.

Finally I wanted to thank my coaching team of Larry McIntosh, Michael English, David Moore, Geoff Warman and Dave Goosakoff for their outstanding contribution to the first grade program and for their friendship and support throughout the season. I couldn't have done it without you.

Tim Collier (TC)

Second Grade

Competition: SHA PL2

Placing: Grand Finalist

Another somewhat successful year for second grade but once again falling at the final hurdle.

We have been one of the top two sides in the competition for four years running now but unfortunately when it all matters, we cannot get the job done on the last day of the season.

This year was very similar to the last few in that we have been able to keep some wily veterans running around long enough to mentor the future of the club as they take the leap from juniors/lower grades into the premium teams for the club. The growth of the young guys like Josh Robson, Olly Bestwick, Gurman Singh and Alex May shows the club is in very strong hands going forward. The contribution week to week from the whole group shows how tight knit and special we were but unfortunately, we haven't been able to get the premiership we probably so richly have deserved.

A big thanks to Alex Jones for his support/guidance this year and to Gaz Goose for his massive

help to me over the past four years. I couldn't have coped without him and being a man of few words, what he does each and every week is highly valued by this group and the club as a whole. Lastly, thank you to the wider Ryde Hockey Club community for your support over the past four years from the messages before games, to the chats at the club, I truly value this community as it has been a huge part of my life for 20 years and hopefully we can see success for this group in the years to come.

*Andy Wright
Captain Coach*

Third Grade

*Competition: SHA PL3
Placing: Preliminary Finalist*

Another tremendously successful season for our PL3 side though we just couldn't repeat the success we had in 2022 as we bowed out in the preliminary final against Moorebank. After 16 games in the regular and finals series we achieved 11 wins with a for and against of 50 with 66 goals in the back of the opponent's net compared to 16 in our goals.

We started the season well with a 6-0 win against Northern Districts and then a 10-1 win against the Dirty Reds. These results certainly played into the confidence of our team who then went on to only lose three games in the regular season. We were in the run for the minor premiership all season, unfortunately failing to clinch the fourth consecutive minor premiership though it was a tough fight with UNSW and Frodo, Sam and the rest of the hobbits.

The team comprised a healthy team mix of older (relatively) and younger talent. Such a balance created a dynamic style of play and allowed the younger players (Cedric, Hamish and Kade) to develop and by the end of the season they were playing beyond their years. A highlight of the season was how the team gelled like they had played together for years as each player united by their fluency with the 11 and 1 system, block runs and lots of team chats.

The culture of the team developed into a 'never say die' attitude which was best exemplified by some of the saves Tyler did as our keeper, Declan's solo goals, Alex's flicking on PCs, Sam's contribution in the midfield. In fact, if it wasn't the contribution from every player, whether it was permanent member or someone playing up (Ollie, Christian, the Edwards) then the season wouldn't have ended like it did with a great team playing some great hockey.

Personally, it was fantastic to be on the sidelines, all the boys were cooperative with substitutions and that assisted us to be competitive on the pitch. It would be great to have the opportunity to continue managing the side during the 2024 season.

Finally, congratulations to all the players who had representative honours this season.

Rest up, enjoy your offseason and see you next season.

Regards,

*Gavin Hughes
Team Manager*

Fourth Grade – Ryde Black

Competition: SHA SL1

Placing: Grand Finalists

Greetings, esteemed fans, foes, and those just discovering the wonders of field hockey! As the final whistle blows, we take a nostalgic glance back at the rollercoaster of a season that was. Our team, a merry mix of hilarious heroes and underdog triumphs, made waves, broke sticks, and left a trail of disaster in its wake.

Captain Matt McKay: The Man, The Myth, The Legend

Our beloved Captain McKay continued to astound and amaze, not only with his exceptional skills on the field but also with his ability to multitask as captain, coach, life member, and club legend. Rumour has it he's approaching his 800th game—some say he's made a deal with the hockey gods for eternal youth. We're not saying it's true, but we haven't seen any evidence to the contrary!

Piers "The Pest" Webster: Annoyingly Amazing

Piers, aka "The Pest", lives up to his moniker with unparalleled dedication. His opponents might call him annoying, but we prefer to think of him as exceptionally persistent. Watch out, world, Piers is on a mission, and he won't rest until he's the annoying player on the field.

Elliot Miller: Father-Son Savings

Thanks to the genius of the father-son rule, we have the privilege of having Elliot on our team without breaking the bank. It's a win-win situation; we get a talented player, and Elliot gets to play with a team that has a soft spot for savvy financial decisions.

Simon Miller: The Man with Wooden Legs?

Rumours abound that Simon's legs are made of petrified wood. Is it true? We can neither confirm nor deny, but one thing's for sure: when he runs, the ground trembles. Watch out, opponents, for the guy whose legs might just be ancient relics.

Tom "Yeah, the Boys" Djani: The Eternal Cheerleader

Tom has mastered the art of motivational chants. Every time he shouts, "Yeah, the boys!" the team gains +10 enthusiasm. It might not be scientifically proven, but who are we to argue with results? Keep chanting, Tom, and let's see how far your enthusiasm can take us!

Lachlan McKay: Following in His Father's Footsteps

Young Lachlan, son of our esteemed Captain McKay, is making his mark on the field. Some say he's inherited his father's legendary skills; others say he's destined for even greater glory. We say, keep an eye on this one, folks. The McKay legacy continues!

Ah, the derby day against the A team—an event that had fans chewing their nails and opponents shaking in their cleats. In Round 2, we battled it out, ending in a 2-2 draw that had spectators questioning the laws of physics. Round 15 brought sweet revenge as we triumphed with a glorious 5-0 win, proving that our team was not to be underestimated.

Our team spirit this season? Think underdogs with the heart of champions. We may not have had the fanciest gear or the most famous players, but what we lacked in glitz, we made up for with unmatched determination and a healthy dose of enthusiasm. Our battles on the field were fought with smiles and spirit that could light up the darkest of days.

One of our proudest achievements this season was our commitment to nurturing young talent. Junior player development reached unprecedented heights, and we marvelled at the skills displayed by the rising stars. It's safe to say the future of our team is in excellent hands, and

perhaps more importantly, excellent sticks!

As the grand final dawned, our underdog spirit was undiminished. We fought valiantly, leaving our hearts on the field. Alas, victory eluded us, with a final score of 4-2. But fear not, dear fans, for this defeat only fuels our determination for the seasons to come. We might not have claimed the trophy, but who knows what the future holds.

And so, we bid adieu to another season of Ryde hockey. Thank you for your unwavering support, and your cheers. Remember, in the game of field hockey, as in life, it's not always about the score—it's about the joy of playing, the friendships forged, and the memories made. Until next season, stay fabulous, and keep cheering!

With sticks raised high and spirits higher,

Ben Wilson

Fourth Grade - RHH

Competition: SHA SL1

Placing: Fifth

A new year with some dynamic new individuals but the same plan as last season – grand final glory. The beginning of the season commenced with high hopes for the fourth grade squad. Under same management with superstar coach Matt Edwards, there was a fire in the belly of the fourth grade boys. We had a great deal of faith in the talent of the squad, with some huge names bolstering the forward line and coach and manager were impressed with the attitude brought to games (not so much to training).

Following 16 rounds and the conclusion of the regular season, we finished at 5th on the table with 5 wins, 5 losses and 6 frustrating draws which was enough to see us just have a one point positive goal difference. Thankfully we still had a core playing group for fourth grade this year which was present most weeks which meant that we consistently had 9-10 regular players. But this was by the far the toughest year for getting fill ins with 31 different players used throughout the season! Some injuries to some key players in the season meant we did have to rely on SL2. Big thanks to Ryan Southgate for his patience.

Our defence was led strongly at the back by Steven Coombs, Mark Ellis and Aidan Chong who consistently made a number of key saves. From an attacking perspective, the forwards shared the glory of finding the backboard with one standout performance. Sam Griffith netted eight goals for the season and Brett Tapson with four goals – a very tough year to find the back of the net.

Some highlights of the season for me include the fun team culture on and off the field. A good mix of laughs and intensity during games. Sam Ellis and Riley Albert entered the team and provided a real boost to the team with their tenacity and young legs. I feel players such as Stuart Farquharson, Steven Coombs and Damien Corke were pivotal in keeping the goals against column as low as possible. I must commend their work ethic. They were assisted by an experienced group of players that provided guidance and strength when needed. I'd like to extend my thanks to Matt Edwards and Mark Ellis for their crucial part in our season from a coach/ management perspective. Unfortunately the season didn't go the way we wanted but it provided a fantastic learning experience for the team.

Thanks must also go to Dean Merchant for his assistance with selections and team registration throughout the year. I'd like to extend my congratulations to all of the players for their

dedication and persistence throughout the year. It was a truly special year with great camaraderie, and I am proud of all their efforts. My genuine hope is that a core group of players remain in place to chase back that elusive glory next season.

Finally, it is with a heavy heart that we bid farewell to some long-standing stalwarts of the Ryde mid league roster with Steven Coombs, Brett Tapson and Matt Edwards all leaving us next year. I'd like to wish them all the best.

Steve Besanvale

Fifth Grade

Competition: SHA SL2

Placing: Fourth

The 2023 season started a little haphazardly. In the first few rounds we lost a few players from the club resulting in a reshuffle of both SL1 teams and the SL2 team. This reconfiguration of the teams, was exacerbated by players being away for various reasons early in the season.

The team struggled to find its feet early in the season, only winning 2 games in the first half of the season. After the first half of the season, the team's finals hopes were optimistic as best. That being said, the team rallied in the second half of the season, remaining undefeated till the semi-finals, winning eight games (two of which were against the first and second placed teams on the table) and tying the ninth with Bentstix. This resurgence put Ryde securely into fourth position and a finals shot.

The Semi-final was against Bentstix. The game was hard-fought and at times it looked like Ryde was in a strong position to win. However, a breakaway allowed Bentstix to sneak a goal past the keeper. Rubbing salt in the wound, the goal was a deflection of a Ryde stick! Ultimately the game was lost 0-1, however it was a great game against an excellent team.

The team was a young team and a new team, few people within the team had played together prior to the season. Although the entire team fought hard all season and the result would not have been achievable without every member of the team. A few notable mentions throughout the back end of the season should be made:

- Amos Mashiah had a phenomenal season both in goals and an occasional game on the field - many a game came down to the keeping.
- Zane MacDonald finished the season strong, improving throughout the season to be a key player and reliable defender.
- Charanpreet Singh came into his own towards the end of the season, linking up with the forwards pack and becoming a key goal scorer slotting 8 goals in the last 9 rounds against some tough defence.
- Sebastien Butler, out import, played the back end of the season and provided some serious attacking presence with seven goals in six matches.
- A special thanks to all our fill-in throughout the season (and there were many!!!) calling from retired players, to juniors, to double-ups. Even calling upon both the Men's President and Club President to take the field and lend their skills and knowledge to the team!!

The SL2 team didn't with the Grand Final, however based on the challenges the Men's teams faced during the year, I am proud of the effort and conviction each member of the team showed throughout the entire season. I'm especially proud of the 'never say die' attitude the team showed at the midway point of the season to fight back and make the finals.

Looking forward to a strong year in 2024.

Ryan Southgate

Sixth Grade

Competition: SHA SL3

Placing: Sixth

It was a tough season for SL3. Many Players were promoted from SL4 after round 1 due to a loss of players at the beginning of the season. SL3 had six wins, one draw and nine losses. I would like to thank everybody that stuck it out and battled throughout the season. Also thanks to the many players promoted, noting that a few commenced the season with the expectation to be moving down not up, which meant a lot of tired bodies each Sunday and Monday.

At the start of the season the team was inconsistent, not able to string wins together. Midway through the season, the team went on a 4four-game losing streak. True to the team's resilience, we bounced back with a three-game winning streak. Unfortunately it was not enough to get us through to the finals.

Congratulations to our new member Lambrecht "LAMBO" Wessels who picked up SL3 best and fairest (with Kamel Naqvi) in his first season with the club as well as taking home the Ma7es cup. Thank you again to all the members of SL3 and hopefully we can come back stronger for the 2024 season.

Dean Merchant

Seventh Grade

Competition: SHA SL4

Placing: Seventh

It was an interesting start to the season as we started in Sydney League 5 and within a few weeks the team was promoted to Sydney League 4. We had many new club members in our team, mixed in with a lot of old faces. We not only had to learn to play together as a team but also learn to play against faster, more challenging opponents.

With six wins, four draws and eight losses we finished the season in seventh place. I'm so proud of the team's achievement and it was a pleasure to watch them improve from week to week.

On behalf of the team, I'd like to congratulate Thomas Henderson on winning the team Best and Fairest for 2023.

I'd also like to thank the boys for turning up each week and putting in one hundred per cent. Naturally, I would love to see everyone back next year.

Neyif Hanna
Manager

Eight Grade

Competition: SHA SL5

Placing: Seventh

An interesting season for our team, starting the season in SL6 and finishing in SL5!

Ryde were a little optimistic with player numbers and after two rounds Ryde decided to drop a team. In the interests of maintaining the best outcome for the competition Ryde's SL6 team were promoted to SL5!

The team included the usual mix of new and old players, two (and occasionally three) father – son combos - Graham / Harry Symes, Nick / Luca / Finn Travers and Ken / Jay Campbell. We had several other doubles – new player Karan Karan, our goalscoring hero, and with the twin Finn defenders (Travers and Bowley). All of these combinations made making substitutes and calls on the field “fun”.

The season record of five wins, four draws and nine losses for seventh placing does not make pretty reading, but with six of the nine losses by one goal - we turned up optimistic for every game. Five of those close losses were against the four semifinalists. With Manager Neyif playing in SL4, Ken Campbell took over the match day running of the team, with a great assistance from Graham. As often happens we had a lot of irregular fill ins through the season.

Our line up with Harry in goals and a back four selected from Nick, Graham, Brendan Laverty, Finn B, Ken, Ian Blackburn and Finn T in the second half of the season gave us several options. Luca covered centre half most games. Strikers positions were covered by Karan, Andre O, Jamie Crowe, Aaron Scott and often any of the defenders looking for a bit of a run up the front (Brendan!). Inner or AM spots were taken by Michael Thorn and Josh Akhurst with Finn T covering early in season along with anyone else we could put there! A timely reminder for the manager. young and fast does not make an AM – Finn T excelled at centre back later in the season.

Injuries and expected and unexpected overseas travel reduced the number of appearances of some with Harry Symes and Andre leading with 16 games. Harry had an outstanding season in goals and on at least three occasions he kept us in the tight games and picked up the Best and Fairest points for the game. Karan was our leading goal scorer with nine in 11 games including one game with four goals and two games with two goals.

Our Season Best Fairest results were another pair of pairs – Karan and Harry shared the honours with Graham and a semi regular fill in, Angus McGarvey, taking a share of third. Harry finished second in the club's overall Goalkeeper Best and Fairest - a huge effort.

See you in 2024 for another season.

Ken Campbell

Ninth Grade - RHH

Competition: SHA SL7

Placing: Sixth

Ryde's SL7 Mens Team enjoyed a competitive season not reflected in the final results. With a great blend of ongoing Ryde players, the team was bolstered through several new players joining the club.

While we started strong in the first half of the season, key injuries took their toll in the second and we struggled to consistently fill our roster. We would like to offer our sincere thanks to the gentlemen of Masters hockey who often came to play for us.

Despite the struggle to fill a roster, the team consistently showed up to play a level of hockey that is not truly represented by our final position on the ladder.

The SL7 side finished the season in sixth place, with 6 wins, 2 draws and 8 losses. We would also like to note the great performance across the team with 13 individual goal scorers. As a group we look forward to bettering this result next year.

We would like to thank the time and effort that Ryde Club Officials put in week in and out, especially those who have thankless and often underappreciated tasks. We are truly grateful to you all for your support.

Warm regards,

Tristan O'Donnell
Manager

Neyif Hanna, Sullman-Dawson Club Person of the Year
(L to R) Maurie Dawson, Neyif Hanna

Women's Masters

The year 2023 has been an exciting and successful one for Ryde Masters players, playing under in a variety of different Association teams in the SWHL competition.

The Ryde Hockey Masters players showcased remarkable skill and determination throughout the year. The players demonstrated their commitment to the sport, consistently delivering exceptional performances on the field in various Association teams.

Our Masters players actively participated in half-state tournaments and congratulations to those players who were selected in the NSW State Team.

Notable achievements were evident for Kate Gow and Amanda Meech – both made their respective Australian teams to travel to South Africa next year.

We look forward to welcoming new players to the Masters fold next season.

Kara Retford

Men's Masters

Masters A

Competition: SMHA Premier Division

Placing: Fifth

2023 commenced with multiple rumours doing the rounds within the Sydney Masters community, claiming that Ryde would no longer be able to field a Premier League Masters side in 2023. These rumours spurred the mighty club into action and a strong recruitment drive that saw us not only fill a full squad of 16 for our first game, but have to rest two players as all 18 of our players were keen and available. We may have peaked too early though, as that first game was almost washed out and would be the only game of the year where we had the luxury of giving players a week off. As the season progressed and the injuries, work conflicts and family commitments piled up, our numbers steadily dwindled and if it wasn't for the excellent support of many of our Sydney Cup representatives we would have struggled to field 11 players each game.

That being said, the season was still a relative success. When we fielded a full team, we showed that we could beat the best in the competition, claiming wins over every other team at least once. These results saw us finish third on the ladder, the highest placing of recent memory and head into a semifinal (second vs third) against a strong Briars team.

Injuries and availability once again impacted our squad selection with three of our five Saturday Premier League players unavailable for this crucial fixture. The boys fought valiantly though and led the game for the majority of the first half, before a last-minute equaliser before the break. In the end though, as our substitutes dwindled and the energy in our legs dissipated, we could not stop the waves of attacks coming our way and were overrun in the second half convincingly.

A tough way to finish a season, and all the more reason to try and retain and recruit more players for the 2024 season.

While everyone gave an amazing contribution to the season, a few special mentions as below.

- Congratulations to second grade player and coach Andy Wright on making his Masters debut in 2023. We look forward to seeing you (and hopefully more of your friends) in the 2024 season and for at least eight games so you can qualify for finals.
- Well done to Alex Jones, our leading goal scorer for the year with 10 goals.
- A special thanks to Simon Miller and all the other Sydney Cup players who stepped up throughout the season to help out.
- Congratulations to Alex Jones, Anthony Caton, Alan Retford, Matt Burton (James Maltman) who all represented NSW O'40s winning Gold at the recent national championships. Congratulations, as well, to the following players for their successful selection into either the Australia or Australia A teams for the 2024 World Cup within their respective age category.

Australia Selection

- O'45s - Alex Jones (VC)
- O'55s - Stuart Farquharson

Australia A Selection

- O'40s - James Maltman and Matt Burton
- O'55s - Mark Ellis (Captain) and Evan Watson

James Maltman

Masters B

Competition: SMHA Sydney Cup Division

Placing: Sixth

The 2023 Sydney Cup season kicked off in a good way with a solid win against UTS. Hopes that this was the sign of good things to come was unfortunately short-lived. Whilst the final standings are disappointing, the team was very competitive in every match, with some solid draws against the top teams or close losses at the end of tight tussle. Our failure to capitalise on opportunities and just score goals is the obvious area which would move the team forward. As an overall playing group, every player should be satisfied with their performance and improvement, with quite a few players noticeably lifting their level of play as the season progressed. Thanks also to all the players who answered the call for help from the Premier League team; well done fellas, you've still got it!

There is only one reason to play hockey and masters particularly so - to have fun. The positive attitude, team spirit and camaraderie of the large group (21 players turned out over the season) was excellent with well supported apres-hockey in the carpark.

Simon Miller
Manager

Masters C

Competition: SMHA Masters Division

Placing: Third

The team was made up of a nucleus of 2022 players with the addition of four players coming down from the Sydney Cup team, two returning players who didn't play in 2022 and a couple of new players. In total, a squad of 19 players. The pre-Season competition of three games saw Ryde lose two games and draw one. A similar start to the 2022 season, that highlighted defensively we were looking solid, but scoring was more difficult.

The main competition was made up of six teams with two teams coming down from Sydney Cup and weaker teams dropping from the Masters grade 2022 season. The teams in the competition looked very even. The consensus of the brains trust was to make sure we beat two teams we thought we should beat and pick up a couple of other wins. This objective gave the team a reasonable expectation of making the semis and seeing how it played out from there.

The main Competition played out as expected, with all teams very competitive and games score lines typically very close with no blow outs. Defensively four teams emerged as nearly the same with each team conceding approximately 20 goals however, two of these teams had a better attack (goals scored). Ryde's table position oscillated around third to fifth place into the third round of games. At this point, we came up against Sydney University in a crunch game – we could either establish ourselves in fourth position and with a games break or if we lost, our opponents would take our spot. In a very tight game, Ryde were able to win 1 – 0. From there on, we were able to beat Macquarie Uni above us in the table and Sutherland (last) to finish in third position.

The semifinals were 1v4 and 2v3 with higher team going through if it was a draw. This meant that Ryde came up against Macarthur who had defeated us twice and drawn once. Confidence was high going into the game, given the closeness of games and quality of our defence. The game played out much like the season, very tight, some opportunities just missed, a stroke saved by Riz, having the better of play at some points and not others. It was Macarthur though who converted a short corner late in the game to give them a 1-0 win. The grand final between Macarthur and St George Randwick was 3-3 at full time. St George Randwick prevailed in the shoot out 4 – 2. Another very close tussle.

The team's record was: Played 16 games (including a forfeit): Won 7, Drew 2 and Lost 7.

The team scored 19 goals (excluding 5 from forfeit) and had 21 against.

The top goal scorers were Andreas Schindler (5), Matt Whiting (4) and Scott Morrison (3).

Special mentions:

- The Team – great effort by everyone, contributing to a successful season with great camaraderie both on and off the field.
- Rizwan Nagrial (GK) and Jon Woodward – First year with Ryde Masters hockey – played and fitted in very well.
- Mark Richard, Aaron Scott and Rizwan Nagrial (GK) – played every game.
- Scott Familton – for again “managing” the after games refreshments. Win, lose or draw - always the best part of the evening.

The team was: Rizwan Nagrial (GK), Charlie Calleja, Tim Unger, Scott Familton (C), Steve Reilly, Mark Richard, Greg Appleby, Brian Appleby, Simon McCoy, Jon Woodward, Rob Eggers, Chris Bedford, Aaron Scott, Matt Whiting, Steve Dunn, Duncan Taylor, Andreas Schindler, Scott Morrison, Rohan McCoy

Steve Reilly (Ryde C Masters Team Co-Ordinator)

Masters D

Competition: SMHA Legends Division

Placing: Eighth

I would like to start by acknowledging the contribution that Stephen Graham made to the Ryde Hunters Hill District Hockey Club Grand Masters (formerly named Legends) team over a number of years with his diligent work to build, unite and manage this team. I was pleased to take over a diverse group of “young” gentlemen, men who enjoy each other’s company as well as taking the field to play hockey together, for the love of the game and the fitness benefits in our twilight sporting years. Unfortunately, Steve’s back has failed him and he is no longer able to play hockey. Both his on and off-field contributions are missed. He was able to develop the team’s resilience, resulting in the team members producing determined playing performances.

In 2023 the playing year started well for the Grand Masters team. We navigated the pre-season competition impressively, going through undefeated, and we took out the title for the first time. We were fortunate to have good playing numbers so we used our bench well to overpower the opposition teams with ongoing forward surges, while also taking advantage of a small number of skilled players returning to hockey, each after a notable number of years out of the game. For the season-proper we lost these returning players to either promotion or to injury, and that took some of the edge off our early season superiority.

In recent past seasons we had struggled to string together sequences of match wins. Buoyed by the pre-season victory we went into the season-proper with the confidence that we would be able to improve our past track record, putting successive wins together, and this confidence wasn’t unjustified. All six teams in the competition were well matched in skill and endurance but four teams emerged, including Ryde, as clearly stronger than the other two. There was plenty of arm-wrestling going between these teams with Northside emerging early as the one-to-beat. Although we played well against them in the pre-season competition we were unable to get the better of them during the premiership season, although one other team did come out with a match win over them, and we managed a draw against them early in the season.

As the season progressed we were finding it more difficult to score goals at critical times. We were typically starting with 16 players on the card early in the season, even with the odd voluntary stand-down due to a larger number on the playing roster, but we were struggling to name 12 players towards the end of the season, due to injuries and travel commitments. The fitness of the other three leading sides was also increasing and we were left behind in this area, even though our defence was solid and we were still able to drive forward. Later in the season we struggled to convert opportunities in the attacking D, partially due to fatigue and partially due to our opposition working out ways to counter our good ball movement up front. We were a very difficult team to beat early in the season but, unfortunately, that defensive fortitude changed as the season progressed.

We ended up in fourth position on the table at the end of the season and were up against Northside in the first final (one verses four). Their mid-season recruiting had given them some additional strike-power up front and they put an end to our season in strong fashion with late goals in the match nailing home their advantage. Having been the team to beat all season they deservedly went on to take out the grand final against Sutherland.

The progression of the team to become a competitive force in the Grand Masters competition this season was a notable achievement. Although there has historically been a feeling, amongst our opposition, of beating Ryde being a really good thing, I believe Steve Graham built a culture that enabled this team to be regarded differently, and less combatively, by other teams in Grand Masters, and I am confident that this reputation wasn’t tarnished during a season

where we were a notably more competitive.

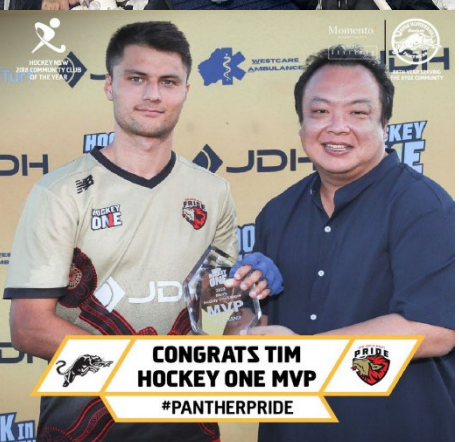

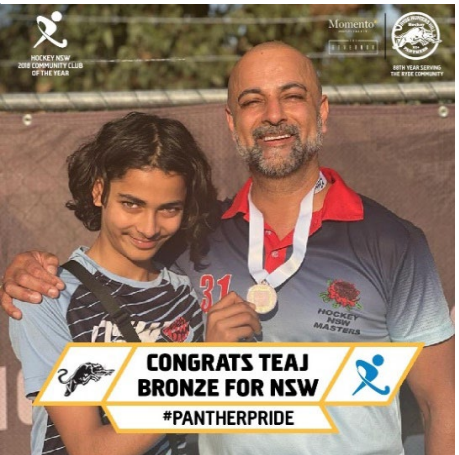

As I reflect on the season, I am sure players have benefited from both the strong camaraderie and the fitness gained from playing hockey. “Beers in the carpark” remained pivotal to team unity and I was regaled of numerous pre-1990 club stories I hadn’t heard before as we enjoyed great post-match wind-down interactions.

I would like to thank Ken Campbell for his assistance in astutely managing the team (while also deploying his administrative skills) on the odd occasion that I was unable to be at the match. As Masters Co-ordinator, Steve Reilly was very helpful with his guidance during the season too so I’d like to thank him for this. I’d also like to acknowledge the efforts of the board of the Sydney Masters Hockey Association, resulting in the smooth running of the competition at Sydney Olympic Park throughout 2023.

We look forward to the team gaining new “young” talent in 2024 as players from the Masters League cross the 55 year old barrier and become eligible for “promotion” to Grand Masters! There is a sound foundation in place, as well as the potential for an infusion of new players, positioning the team well to be at the top-end of the competition next year.

Andrew Haynes
Team Co-ordinator
